

Dallas Auto Body Repair Shop Mesquite Auto Body Repair Shop Grand Prairie Auto Body Repair Shop

Description:

John Eagle Collision center in Dallas features North Texas's most advanced, state-of-the-art collision repair facilities. As great as our facility is, it is our experience and our trained staff who make the difference for our customers. Many of our team leads and technicians have been repairing vehicles for over 20 years.

With over 75,000 square feet of space to repair your vehicle, John Eagle Collision Center offers one of the largest collision repair and body shops in Texas. We service over 200 vehicles every month, and are trained to repair all Makes and Models.

Whether you've been in an accident and need collision repair for your vehicle, or your favorite car was door dinged in the parking lot and you need minor body work, John Eagle Collision Center in Dallas, TX has the experience and skill to make the highest quality repairs to your vehicle.

John Eagle Collision Center services every Make and Model car, truck and SUV, and even exotic cars such as the Jaguar XJ. Many of our repair technicians have over 20 years of experience and most of our technicians are I-CAR certified. If you've been in an accident and need major collision repair, or you need minor body repair or paint service, John Eagle Collision Center should be your first call - 888.270.5129.

John Eagle Collision Center will work with all insurance companies to process your claim efficiently and quickly. We even have direct repair program agreements with many of the largest insurance companies - let us take care of the details and we'll you back on the road in no time.
