Brake Suspension Repair San Diego Smog Test  
Convoy**

Description:

Today, Convoy Auto Repair is still the fastest growing automotive facility in San Diego County. We continue to be at the forefront of our industry with our advanced State-of-Art computerized diagnostic and our commitment to excellence.

Our staff of 12 seasoned and experienced technicians are ASE certified and we hold the coveted BLUE SEAL OF EXCELLENCE that is awarded to establishments with 75% or more of their technicians ASE certified in each area of service they provide. We are 1 of only 139 such facilities currently in all of California.
